VOL. LXXXI.

FRIDAY, JANUARY 2, 1880

NO. 2.

ALEXANDRIA GAZETTE FOR 1880

The Alexandria Gazette, begun in 1799, is the oldest newspaper in Virginia, and it has survived, with few exceptions, all the public presses in America which saw with it the dawn of the nineteenth century. It lives too, not in decay or decrepitude, but full of life and youthful vigor, giving all the news, telling the truth without fear, favor or affection, trenching on the privacy of no man's home, but full to the brim with all public information, and giving daily honest judgments of public men and public measures.

It furnishes the news telegrams of the New York Associated Press and of Reuter's European agency, being, with but two exceptions, the only paper between Baltimore and Richmond that is thus connected with the great fountain of the world's news.

With the coming year all the long tried and improved methods of making a standard newspaper will be continuous with such additional facilities as past experience justifies the proprietor in believing will add to the capacity of the Gazette to serve its readers. It expects to render faithful service to the city, the state and the country by a candid criticism of men and events in the interest of the people of the Commonwealth of Virginia.

The year 1880 will be a period of critical interest in both the Union and the Commonwealth. The election of the eighteenth President of the United States will take place, with all the combinations precedent and consequent; and settlements subsequent, will call for record in the coming volume. The developments of the financial situation, which may portend abundance and comfort or poverty and privation to thousands, are now in progress, and the columns of the Gazette will note each step as well as chronicle the result. A new and striking foreign policy is among likely events, and the absorbing interest of it cannot be overestimated. In Virginia there is political chaos and industrial and commercial depression. The way out of this quagmire will fill many of these paragraphs with information of rare interest.

To meet all the demands upon it in an exceptional year, the Gazette will be made a WASHINGTON and RICHMOND NEWSPAPER, as well as an ALEXANDRIA JOURNAL. The Richmond and Washington news of the past year has left little to improve, but yet greater effort will be made to insure absolute perfection in these departments.

The city of Alexandria will find as usual its daily history in each evening's issue, and the intelligence of that section of the Commonwealth which nature has bound to Alexandria by the curvature of its mountains or the courses of its rivers as well as that portion linked to us by the iron bands of railways, will be assiduously chronicled.

The Business and Commercial columns of the Gazette will be filled with the earliest and most exact commercial news, edited with such painstaking care as will render an error, where even slight errors are dangerous impossible.

The Cattle Markets of all the leading points of the world whose rates affect this market will be stated, and regular statements of the Baltimore, Georgetown, Washington and Alexandria sales of cattle will appear.

The Flour, Grain and Produce movements will be noted daily, and the sales of the Alexandria and neighboring markets given with accuracy and dispatch. The Grocery and other markets will receive constant attention, and the money or stock markets of the country epitomized for its columns, full details being given to all stocks, etc., which find investors in this section of the country.

The advertising columns of the Gazette offer inducements which experience has shown to afford greater returns for a small investment than any other which can be made.

## MEDICINAL.

DR. TUTT'S  
EXPECTORANT.

IN 25 CTS. AND \$1 BOTTLES.

Its properties are Demulcent, Nutritive, Bal-  
samic, soothing and Healing. Combining all  
these qualities, it is the most effective LUNG  
CURE ever offered to sufferers from pulmo-  
nary disease.

Dr. F. HAYWOOD, of New York, volun-  
tarily indorses it. Read what he says:  
New York, Sept. 10, 1877.

Dr. Tuttle: Dear Sir—During this year I treat  
of one hundred cases of lung diseases. In the  
lower words of the city the cases were of a very  
severe type. It was there my attention was  
called to Tuttle's Expectorant, and I confess my  
surprise at its wonderful power. During a prac-  
tice of twenty years I have never known a medi-  
cine so act so promptly and with such happy  
effects. It instantly subdued the most violent  
fits of coughing, and invariably cured the dis-  
ease in a few days. I cheerfully indorse it as  
the best lung medicine I ever used.

J. FRANCIS HAYWOOD, M. D.

A NEWSPAPER PUBLISHER WRITES:  
Office Evening News, Augusta, Ga.

Dr. Tuttle: Dear Sir—My little son was attack-  
ed with pneumonia last winter, which left him  
with a violent cough that lasted till within a  
month since, for the cure of which I am indebt-  
ed to your valuable Expectorant. I had tried  
every other remedy recommended, but none did  
any good until I used your Expectorant, one  
bottle of which removed the cough entirely.  
With many thanks, I am yours truly,  
JOHN M. WEAVER.

HAD TERRIBLE NIGHT SWEATS.

Memphis, February 11, 1871.

Dr. Tuttle: Sir—I have been suffering for nearly  
two years with a severe cough. When I  
commenced taking your Expectorant I was re-  
duced to one hundred and sixteen pounds in  
weight. I had tried almost everything; had  
terrible night sweats. I have taken half dozen  
bottles. The night sweats have, but the cough  
has disappeared, and I have gained fifteen  
pounds in flesh. I recommend it to all my  
friends. With great respect,  
OLIVER RICE.

IMPORTANT QUESTIONS.  
Reader, have you caught a cold? Are you  
unable to raise the phlegm? Have you an irri-  
tation in the throat? A sense of oppression on  
the lungs, with short breath? Do you have a  
cough on lying down? A sharp pain  
now and then in a region of the chest, shoulders  
and back? IF SO, OUR ADVICE IS to take  
at once a dose of Tuttle's Expectorant; you will  
soon be able to raise the phlegm. In an hour  
repeat the Expectorant, place a hot brick on the  
chest, take two of Tuttle's Pills. You will soon  
feel into a pleasant sleep and wake up in the  
morning cough gone, lungs working freely;  
easy breathing and the bowels moving in a nat-  
ural manner. To prevent a return of these  
symptoms use the Expectorant several days.
